## DIMENSIONS

Weight: 2.3 lb / 1.04 kg

## DESCRIPTION

HARNESS / SMALL BELT (fits 30"-33"/70-85cm waist) Memory Foam Straps and Belt "remember" your body shape for a contoured fit that provides superb comfort while carrying heavy loads. Cinch the belt securely around your hips and feel the weight transfer there. In the small of your back you feel the gentle support of the contoured belt. The shoulder straps offer a generous amount of foam to make that area feel better, too. The right shoulder strap has a "secret" compartment for cell phone, wireless transmitter, iPod, press pass or other small valuables. The 1" wide sternum strap bridges both shoulder straps in the position that suites you best. And best of all your equipment can be carried at the working level of your choice and comfort. <A HREF="javascript:void(0)" onclick="window.open('http://www.portabrace.com/pbtvflash/kc-audioharness.html')">
