DESCRIPTION

Now with NEW upgraded interior Divider Kit for the ultimate in protection and flexibility! The foam-padded walls of the divider kit protect delicate accessories during travel and the new dividers have even more padding and are bendable for wrapping securely around lenses and batteries. Velcro securely holds the dividers in place and allows you to customize the layout again and again. Also included are a set of padded pouches and pillows that add a high degree of protection in a compact, well organized manner.Video/Flash Player
